

# 期刊是否属于“知网学术期刊库”查询流程

## 一、方法一

选择“文献来源”——输入期刊名称并检索——选择“学术期刊”分类进行筛选——查看检索结果

The figure consists of three vertically stacked screenshots of the CNKI Academic Journal Database (www.cnki.net) search interface.

**Screenshot 1:** The homepage of the CNKI website. A red arrow labeled ① points to the "文献来源" (Source of Literature) dropdown menu in the search bar. Another red arrow labeled ② points to the search button (Q 检索).

**Screenshot 2:** The search results page for the query "管理世界". A red arrow labeled ① points to the "管理世界" search term in the search bar. Another red arrow labeled ② points to the search results table.

**Screenshot 3:** A close-up view of the search results table for the query "管理世界". A red box highlights the "学术期刊" (Academic Journal) category in the top navigation bar. A red arrow labeled ① points to the "学术期刊" link. A red arrow labeled ② points to the "13.28万" count next to the "学术期刊" link. The table lists several academic journal entries, with the first two rows shown:

题名	作者	来源	发表时间	数据库	被引	下载	综合	操作
管理世界		管理世界	2025-08-05	期刊	25	25	25	
管理世界		管理世界	2025-08-05	期刊	24	24	24	

The screenshot shows the CNKI database search interface. A red box highlights the search bar at the top with the text '期刊名称' and '管理世界'. Another red box highlights the search results table. A red arrow points to the first result in the table, which is '管理世界'.

## 二、方法二

点击“学术期刊”——在库内选择“期刊名称”——输入期刊名称并检索——查看检索结果

The image contains three screenshots of the CNKI website:

- Screenshot 1:** Shows the homepage with various search filters like '学术期刊', '学位论文', etc., highlighted by a red box. A red arrow points to the '学术期刊' checkbox. Below it, the search bar has '期刊名称' and '管理世界' entered, with a red box around the search button.
- Screenshot 2:** Shows the search results page for '管理世界'. It displays a list of journals with columns for '刊名' (Journal Name), '作者' (Author), '发表时间' (Publication Time), '被引' (Citations), and '下载' (Downloads). A red box highlights the first journal entry, '管理世界'.
- Screenshot 3:** Shows the search results page again, but this time the '期刊名称' field in the search bar is empty. A red arrow points to the search button.

The screenshot shows the CNKI search interface. A red arrow labeled '1' points to the search bar where '期刊名称' is set to '管理世界'. Another red arrow labeled '2' points to the search results table, specifically highlighting the first two entries for the journal '管理世界'.

序号	刊名	发表时间	被引	下载	操作
